Owner: Doug, Kyle & Scott Miller  
12 yr old Black Mare  
Right Hand Delivery / Bareback

Tested negative for Coggins April 30<sup>th</sup> '08. Ranch  
Raised, bucked consistently last 6 years and has  
stamped her name into rodeo record books. Her  
outstanding performances throughout the years earned  
her a spot in every semi-pro finals north of the border.  
Won 3 Horse of the year awards, 5 Horse of the finals  
awards, tried, tested & true, she is the real deal.  
Unridden in most of her 50+ trips. She has seen it all,  
bucks indoors, outdoors, in the mud & rain, gives 100%  
every time. Hauled too many rodeos & hauls well. Avg.  
mark 22 & high mark 23.5, 1250lb athletic mare will be a  
welcome addition to anyone's bareback pen. This is our  
feature bareback horse so we never moved her into the  
SB, but there is no reason why she can't buck there as  
well. If you are looking for an unbelievable bareback  
horse that gives it her all every time, do not miss out on  
this mare. *Just voted 2008 BB Horse of the Finals in the  
Lakeland Rodeo Assoc!*

## Lot# 48 #33 Shade of Blue

Owner: MX Bar Ranch, David & Laurie McDonald  
11 yr old Blue Roan Mare / SB

Had for about 8 years now, she is not ranch raised. She has thrown some really nice looking, big colts. They are old enough now to start using this coming season. Shade of Blue has been selected for both the Lakeland Rodeo Assoc. & the Canadian Cowboys Assoc. semi-pro finals. She usually throws her cowboys off. She's got lots of power and attitude. She is a 20 to 21 pt. horse. A bonus to buying this mare is the filly that goes with her out of Kenny's Baldy, born June 7.

## Lot# 49 #86 Summer Storm

*There comes a time in all breeding programs that you have to adjust your bloodlines. The mares we have to sell are proven going down the road bucking horses.
