Chestnut Mare

Merry Legs is a 14.2 hand mare that is the perfect junior horse. She is a perfect Quarter horse in a small package. She is gentle, has no buck and is pretty as a picture with a lot of muscle and 4 white boots. One of her many assets is that she is 100% cowy! We have gathered bucking horses and bulls on her, sorted cattle and my 10 year old son has started roping on her. We have had her over rough country and in bogs up to her chest and she has never quit us. She's a good one!
