71 Fire Water

Owner: Justin Twogood
7 yr old Bay Stud
Bareback
Delivery: Right

Solid Bareback horse.
Ht: 15'3 & 1300+ lbs.
Brad Paulson bred.
Been to the CFR

under Big Stone Rodeo Co 2x. Used all summer at the biggest CRRA rodeos. Was marked consistently 22-24pts. They have either bucked off or been in the high 80s (87-89 pts). This horse is a contender for a world title on both sides of the border. It just needs the right contractor to promote him. He is very well bred top & bottom.

Dam: Crossfire - this mare has a reputation of raising outstanding colts. Several are being used as studs for other rodeo companies,

Sire: Brother Baldy - back to Little Baldy. This breeding has put many rodeo companies on top including: Dave Moorhead, Hank Franzen, Dale Kling, and Harry Vold.

This is a chance to buy the performance & the breeding with a possibility of a world title.

Lot #32

80

Owner: Steve Waagen
5 yr old Grey Mare
Saddle Bronc Delivery:

Been used all summer at the futurities with colt at her side. Was the highest marked horse at Cheyenne, WY Futurity this summer. This horse has helped me win more than \$20,000 at futurities at the Rapid City Stock Show, Casey Tibbs Bronc Match, Cheyenne Frontier Days and Faith, SD in addition to being invited to the futurity in Las Vegas. She goes back to 44 Magnum, one of my best mares which has won countless year end awards and is sired by my stud Rocky Top. She is one of the best I have ever raised and I exposed her to 2012 World Champion Saddle Bronc of the year Chuckulator. She looks, acts and bucks like a world champion and will have as good a colt as anything bred in the world.

Lot #33

800

Owner: Steve Waagen
5 yr old Black Mare
Saddle Bronc Delivery:

Outstanding saddle bronc. Used her at all the futurities (Rapid, Faith, Cheyenne, Miles City and Jordan, MT) She is just as good as the grey, bucks a little different; might be a little more cowboy friendly. She has been used last year and won 2nd at Bob Pecora's deal. This mare threw Cole Elshere off at Rapid City in 2013. Has been marked 22-23 pts at all the futurities. Has a very good shot at Bob Pecora's Futurity Finals this fall. She had a very good year. This mare is out of a Sonny DeRose mare out of Exposure (NFR) and my bay stud Stokers Ace (3x bucking horses of the year)

Lot #34

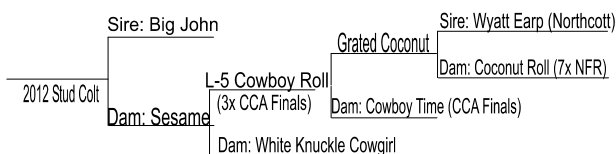

Glendive

Owner: Jackson 3 Farms Ltd.
2012 Stud Colt

This colt is out of one of our rankest, hottest mares. She gets in the air right out of the chute and kicks over her head for the full 8

seconds without covering any ground. This is a super bodied colt and has the pedigree to go with it.

Lot #35

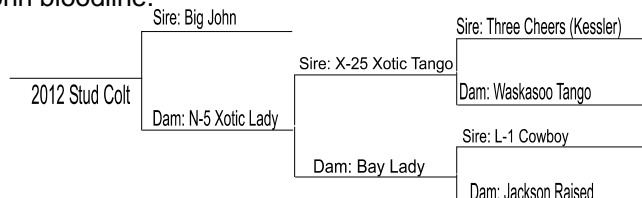

Mave

Owner: Jackson 3 Farms Ltd.
2012 Bay Stud Colt

This colt is a grandson of Xotic Tango, who is a direct son of Reg Kesler's Three Cheers and a

grandson of Hall Of Fame mare Three Bars. We retained Xotic Lady as a broodmare due to her bucking ability, she is an extremely snappy horse with lots of kick and she throws it in her offspring. This colt is very good to handle and comes right up to you in the pasture, he will be a perfect size and his dam will add some heat to the Big John bloodline.

Lot #36

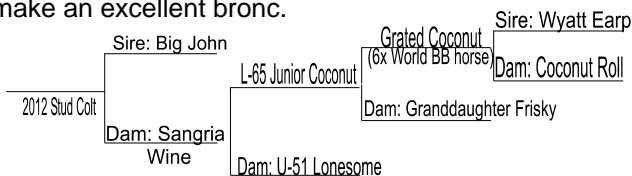

Goose

Owner: Jackson 3 Farms Ltd.
2012 Stud Colt

This colt is out of a good bodied mare that takes her head when she bucks and gets it on right in front of the chute. He goes back

to the 6 time world champ bareback horse Grated Coconut how has sired many great horses such as Special Delivery (NFR, Canadian champ), Timely Delivery, Mad Money, Stampede warrior, and many others. This will be a very nice sized horse and should make an excellent bronc.

www.dalekling.com

Lot #37

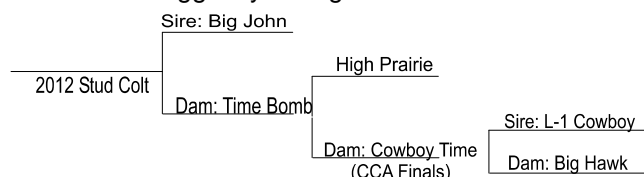

Big Time

Owner: Jackson 3 Farms Ltd.
2012 Sorrel Stud Colt

Time Bomb is one of the most athletic horses we have ever been around and she goes back

to some of our absolute top producing mares. We retained her due to her sheer athletic ability and she should be a great cross with Big John as she will provide some heat to the cross. This is a terrific looking colt and has to be the biggest yearlings we have ever had.

Lot #38

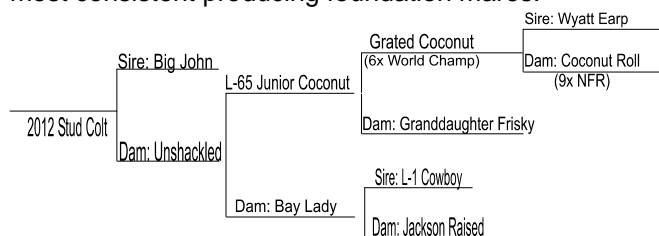

Peachy

Owner: Jackson 3 Farms Ltd.
2012 Stud Colt

This colt's Dam was one of two mares that we retained out of our 2008 crop that included

several outstanding horses that are doing very well for guys all over North America. We have kept 3 broodmares out of this colts granddam, Bay Lady who was one our most consistent producing foundation mares.

Lot #39

Gordy

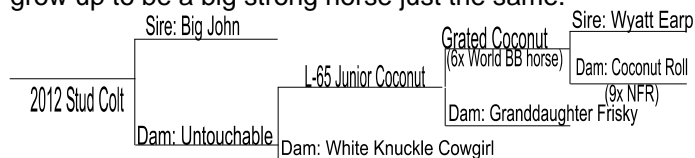

Owner: Jackson 3 Farms Ltd.

2012 Stud Colt

This stud is out of the other mare that was retained from our 2008 crop. This colt's grandsire sold for \$27,000 at the 2009 Breeder's Classic who is a direct son of the six time world champ Grated Coconut. This colt is a

little bit younger than the rest of the group but he should grow up to be a big strong horse just the same.

Lot #46

103 Good Boy

Owner: MX Bar Ranch
7 yr old Stallion

Sire: Spotty Crop
Dam: Cimatee
His mom was an outstanding showy bareback and bronc horse and she went to the Canadian Cowboy's

Association finals several times. Her grandma was a half-sister to Weekend Warrior sold to Wayne Vold.

We haven't bucked this stallion a whole bunch, he's been out breeding and it's also inconvenient to haul a stud around. There is only one other stud out of Spotty Crop out there...a futurity colt bought last year by Joe Simon and he is outstanding – Joe called him Canadian Smoke MX#122 and he kept him a stud. "Good Boy" is the second bloodline out of Spotty Crop to be offered for sale. Spotty has produced some NFR offspring so far, and we are very pleased with the other colts we are using out of him. Some of the NFR horses out of Spotty are #48 Alberta Child (Carr Pro Rodeo), #68 Hylo Hills (Carr Pro Rodeo). Another colt out of him #79 Dry Crop was purchased by Frontier Rodeo and they marked him 23 on both sides at Cheyenne this year. We are bucking two of Spotty's colts this year in the bronc futurities and they are doing very well – especially with all the hauling they have had to get to the futurities. His offspring are definitely proving to be in it for the 'long haul'! If you are looking for an excellent bloodline and confirmation in a stud and also want that jump in the air and kick in your breeding program, this is what you've been waiting for.
