We purchased this horse back from Pete Carr and have a set of coming 3 yr olds to show you. Auggie is a full brother to River

Boat Annie (Carr ProRodeo), many times NFR mare and is also brother to Open Range, also Carr ProRodeo) a horse selected to the finals last year but died expectantly. More importantly this horse's pedigree is his grandmother carried the Anchor K brand, which George Anderson told me she would put you in the business as it was his best mare; raising 5 NFR horses before I got her. She was old but I raised Kling's Classic (Diamond G) & they were 90 pts this year on this rank horse at 17 yrs old.

### **Ace**

Owner: Ashley Thielen  
12 yr old Buckskin Tobiano Gelding  
I bought Ace in Billings, MT in July. He's too much horse for me. Needs an experienced rider. Previous ad states:

Ace is a big stout gelding that has been used on the ranch and has been used extensively in the mountains as both ride & pack horse. Also been used in the arena to carry flags and also has been rode in parades. Ace is gentle.
