## FEATURE

### 61 Young Gun

Owners:  
Nathan Bayes / Dave Jordan  
10yr old Bay Stud

He is a grandson of world champion Saddle Bronc ~ Surprise Party. Out of #975 Party-Up and a stud that was a 22+pt horse in the bareback riding that we raised.

He has proven to produce colts with a lot of kick. We have only bred him to 5 to 10 mares a year and we are keeping most of the fillies for our breeding program.

In the last three years we have taken colts that have won and placed at the Breeders Classic in the 2yr. old and 3yr. old futurities.

Young Gun has about 20 trips. Cody DeMoss won Chief Joseph Days on him this year in the Saddle Bronc Riding. He has a 7 yr. old gelding that we have sold to Tim Bridwell under Growney Rodeo that they won Redding CA and Livermore CA, in the saddle bronc riding this last year. As well as a 5 yr. old mare that has been marked 21's in the pros this year.

Young Gun is a great opportunity to add a lot of kick to your program!

# JACKSON 3 FARMS LTD.

All the mares in this sale have been exposed to Midnight Cowboy for 2 months. This colt combines the bloodlines of Full Baggage, Showstopper, Grated Coconut and Night Jacket. They were just 86 on his sire, Night Hawk in Stanford Mt where he was 22 on both sides. His dam is a buckin Jose with all the right style and motion, takes her head and stays right in front of the chute. This is a big, good bodied colt at only two years old and here is a chance to get into the line while it is still young.
