

JACKSON 3 FARMS LTD

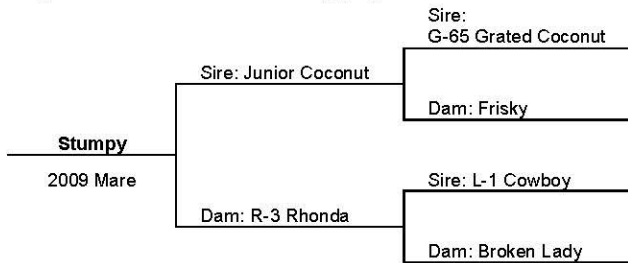

Stumpy

Owner: Jackson 3 Farms Ltd
7 yr old Bay Mare

This 7 year old mare is a 3/4 sister to Showstopper.

Broken Lady is the mare responsible for a lot of Showstoppers style. Proven cross showing through one of the rankest horses in the world. This mare looks a lot like Showstopper but bigger. Good bodied, 15.2 and 1400 pounds. She is cripple in the hind end at a run and therefore does not have any rider trips, but is 100% at a walk and trot and throws a healthy colt every year. Similarities to Showstopper in her 2 year old video. This mare crossed with Midnight Cowboy will give you two doses of Showstopper and Grated Coconut along with Night Jacket and Full Baggage on the sire's side.

Unique

Owner: Jackson 3 Farms Ltd
Paint Mare

Unfortunately we do not know the sire of this mare, however she is out of a

Grated Coconut daughter and wouldn't be on the ranch if she wasn't producing. Big mare, well built mare and throws really big colts. Good opportunity to get a Midnight Cowboy colt with Grated Coconut on the dam's side as well.

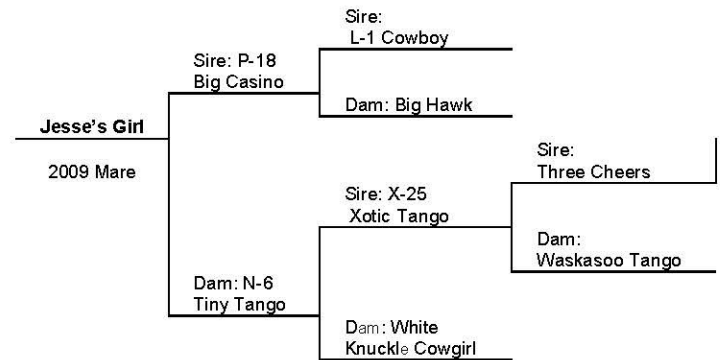

Jesse's Girl

Owner: Jackson 3 Farms Ltd
7 yr old Mare

7 year old mare with a lot of heat and snap. The Xotic Tango-Cowboy cross has been one of my favorite crosses. This mare had half a dozen rider trips last winter and was the spitting image of her 2 year old dummy trip in the video. Not the biggest mare in the pen but has the heat that a lot of breeding programs are looking for. She has thrown 2 really good fillies for us and is here to sell.

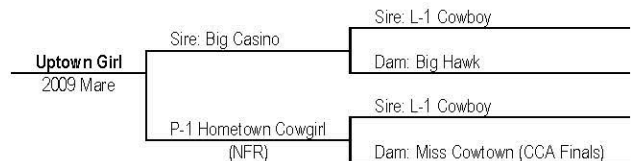

Uptown Girl

Owner: Jackson 3 Farms Ltd
7 yr old Black & White Paint Mare

This mare has as strong of a maternal side as you could ask for. Her grand dam Miss Cowtown has produced several outstanding horses including Cowboy Cowtown and Hometown Girl of Pete Carr's. Hometown Girl is a 2X NFR mare and is still a 21 point horse. Her sire is a producer and a buckner and has been to the INFR several times. This mare has given us a few awesome colts including one by Straight Jacket and is now for sale

Roan Marbles

Owner: Jackson 3 Farms Ltd
7 yr old Roan Paint Mare

This is a big bodied mare by two proven bucking horses. Her dam's career was cut short but was being bucked by C5 rodeo and doing well, she too was a half sibling to Showstopper giving this cross with Midnight Cowboy a double doss. Big Casino is a several time INFR horse. Roan Marbles has produced our strongest colts of the year from several different studs. Her colts by Big John and Night Hawk are showing immense potential. This mare is a proven producer.

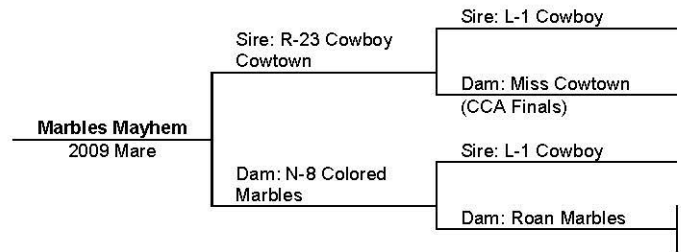

Lot
★59

Marbles Mayhem

Owner: Jackson 3 Farms Ltd
7 yr old Roan Mare

Not much to say about this mare other than she is out of two great bucking horses and is now producing great bucking horses. Colored Marbles was one of the rankest horses on the ranch well into her teens and Cowboy Cowtown won horse of the RNCFR in Kissimmee and led Jacobs Crawley to a win at the cinch shootout in San Angelo this year. This mare, Marbles Mayhem has all the size and breeding and has a colt by Big John that is already proving to be a strong saddle bronc horse before the age of three. This line goes back to the many time NFR horse Marbles who was still winning rounds in Cheyenne into his 20's. Here is one of the favorites at the ranch.

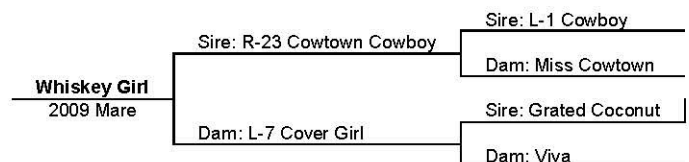

Lot
★60

Whiskey Girl

Owner: Jackson 3 Farms Ltd
7 yr old Brown Mare

Here is one of the best bred mares on the ranch, with the buck to back it up. Covergirl has progeny scattered from Northern Canada to Texas to Australia. Here is her colt, a good looking mare that has been bucked and produces good colts. We sold Covergirl as a part of a dispersal of the older broodmares and I made a point to buy her back from Texas a few years later. We now have her along with several new fillies from her and have decided to pass Whiskey Girl along and give someone the chance to get these proven genetics in their own herd. Have a look at the Gill brother's videos to see off spring of this bloodline performing across the globe. Dry this mare up and bucker and she will take you places, the video is of her first rider trip and she got stronger from there on.

Dessert Cowtown

Owner: Jackson 3 Farms Ltd
7 yr old Black Mare

This 2009 mare is a maternal sister to Muffled Cries (2x NFR, 4x CFR) of Calgary's. In my own eyes, this mare is bred better than Muffled Cries herself and shows a lot of promise in the handful of rider trips she has had. This mare is stacked with one of the best producing granddams in the country on the sire's side and a proven NFR producer in Desert Sky. Cowboy Cowtown was sold to Pete Carr and won horse of the RNCFR in 2015. Her granddam, Miss Cowtown is a CCA finals mare and still bucking strong nearing her 20's. Dessert Cowtown kicks harder than most Cowboy horses and is bred to last.

M-75 MUFFLED CRIES - BAREBACK

Born 2002. Daughter of Desert Sky and sired by the late Wild Strawberry, one of the Calgary Stampede Ranch's prime herd sires in 80's and 90's and the father of many Stampede champion horses.

Muffled Cries has qualified many times for both the CFR and the NFR in her seven-year career to date. Muffled Cries is known for bucking high and hard, most recently carrying Stephen Dent to the pay window with an 89-point ride at the Innisfail Rodeo in June of this year. Dusty Lavalley hit 90 points aboard Muffled Cries at the Calgary Stampede in 2012 during the short round to place second overall.

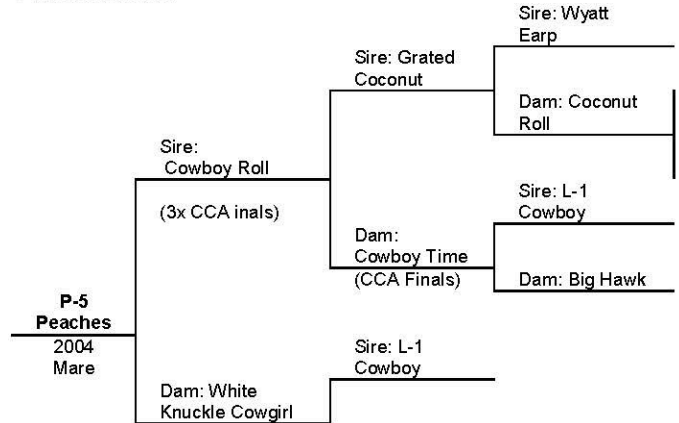

P-5 Peaches

Owner: Jackson 3 Farms Ltd
7 yr old Paint Mare

Here is a big, hot, producing mare. We bought two mares back out of the herd at the 2009 sale and this was one. Since then we have had several fillies from her and are ready to let her go. Have sold her colts for good money in the past and she has been a producer for us. Carries the size and the heat, which is a rare combination.

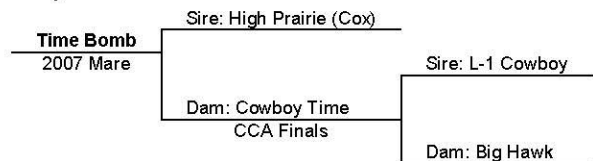

Time Bomb

Owner: Jackson 3 Farms Ltd
9 yr old Chestnut Mare

Could be the most athletic mare in the pen. Cowboy Time was one of the most sought after mares in the herd before she passed. Here is an outcross with a Cox stud that was bucked consistently. This was the only mare kept back from that year's crop and has had some really strong colts for us. 9 year old mare.

DALE KLING

59

Owner: Dale Kling
Broodmare

Smooth mouth. Lost her colt this year but is bred back to Auggie. This mare carries Harry Vold's brand and is branded 59 left hip representing own daughter of his famous PRODUCING mare Dusty Gal. She is half sister to Frontier Rodeo's stud Medicine Man out of the same mare Dusty Gal. Dusty Gal has raised many great horses for Harry like Dusty Dan and four or five other NFR horses making her one of the top PRODUCING mares ever! Here is a chance to tie into one of the best in the world. I kept a stud colt myself that everyone wants to lease #2 Rank Hank. (see photo below)

She's probably 20, I'm really not sure but she is in good shape & is a good mother. I'd like her to go where someone can take better care of her than my turn out outfit and out of the harsh North Dakota winters. I purchased her from Heith Stewart privately to get genes from one of the greatest established Blue Hen mares, Dusty Gal. It's worked for the biggest outfits of all time.
