## Blackie

Owner: Jarrett Jackson  
6 yr old Black Gelding  
BB

This gelding is by Midnight Kid – NFR, who we sold to HiLo and went on to Carr ProRodeo. Only have a handful of outs on this gelding but he has been pretty bucky. Was also down in Cody this summer. Will hopefully have a video from there.

Nice 6 year old gelding ready to do down the road. Very nice horse to handle and good in the chute. Had some trips at Cody Nite rodeo this summer and was very nice.

This gelding is by Cowboy Up who we sold at this sale as a yearling. He has gone on to produce some nice horses for C5 and Dean McDonald. This gelding just bucks nice. He is good to get out on but will kick at the cinch when they're saddling him. He has a bit of a haze in one eye but he can see out of it.
