Frozen is supposed to be out of a Kessler stud. She is a great big mare who is Tooke and Delvin Foot bred on her mom's side. I have two daughters out of her I am super proud of. She is exposed back to a young stud named Comanche Moon. I will gladly sign a stallion declaration for the colt in her and the pedigree on the stud.

547 Walter

Owner: Reeves Family Ranch
5 yr. old Chestnut w/ silver mane Gelding

Walter is an easy to handle pet. A babysitter. You can pen him by himself with studs, geldings, mare and gets along. He is a great grandson of Confused Deception, Goldie Locks, and too many great horses to name. He is bred to hold up to do a lot of traveling and work. His best years are in front of him. I have 8 of his sisters that are just like him and buck. Just need to make some cuts.

 4 yr. old Grey Mare
 Either Delivery

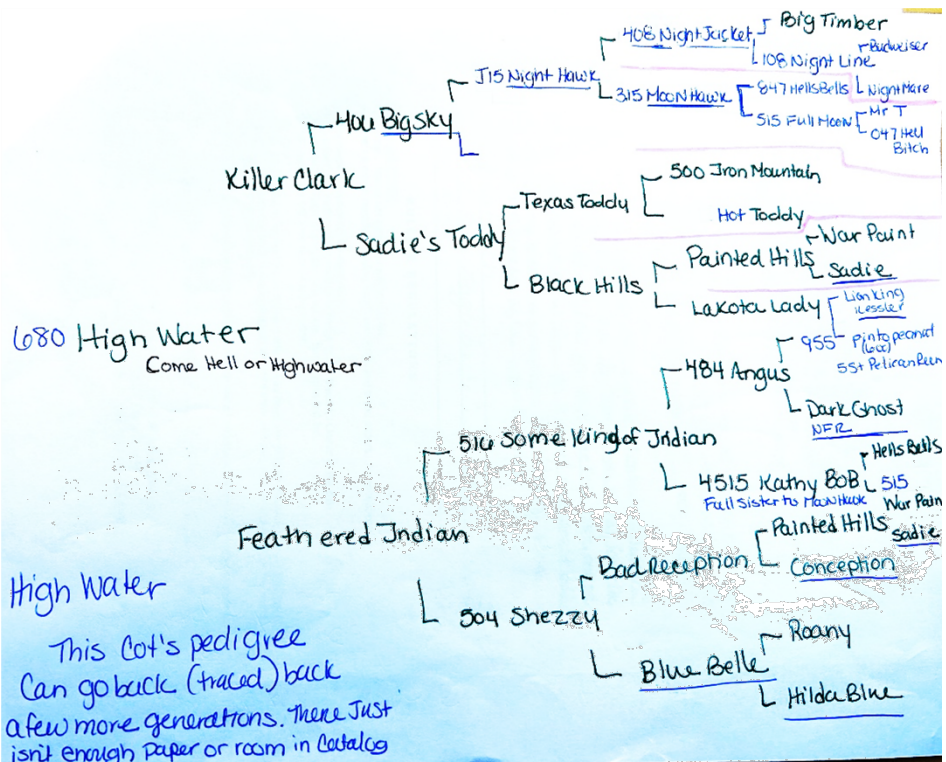

D.O.B: 30 April 2020. This young mare is a gentle giant. She gets along with everyone. She is really well bred to use and needs bucked. Only selling because I have 7 other fillies out of her mother and need to make cuts before winter. Her mom is F03 Snow White and is supposed to be Sankey/Kessler breeding on the paternal side but can't guarantee that. One of her colts is in this sale and he is a "Dragon". She produces size.

680 High Water

Owner: Reeves Family Ranch
 Weanling Black/White Paint Stud Colt
 SB

Is a stud colt out of a young mare we call "Feathered Indian." I can trace his pedigree back to the sixties. His mom is one of my favorite mares and his pedigree is one of the very few you will ever find, NFR mare Hilda Blue of Cervi's on the maternal line. He is intact and would add substantial substance to any breeding program. His breeding is the foundation of 8 combined PRCA Remuda of the year Awards.

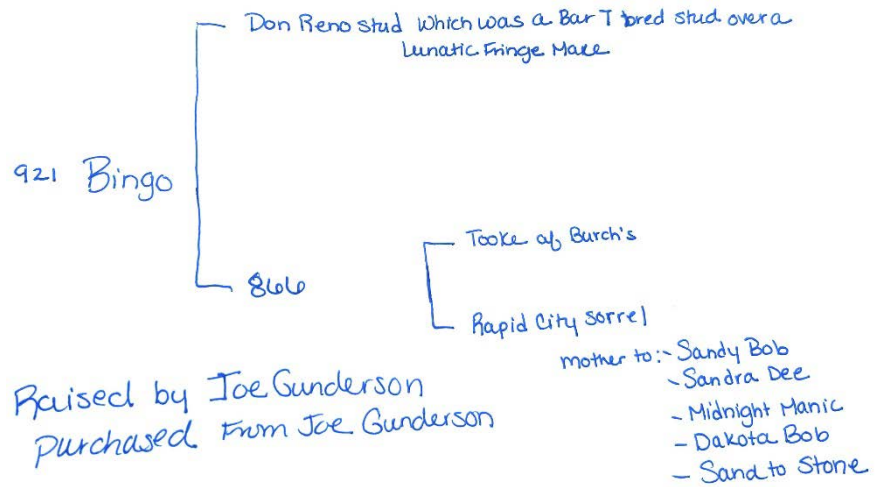

921 Bingo

Owner: Reeves Family Ranch
6 yr. old Red/White Paint Mare
Broodmare

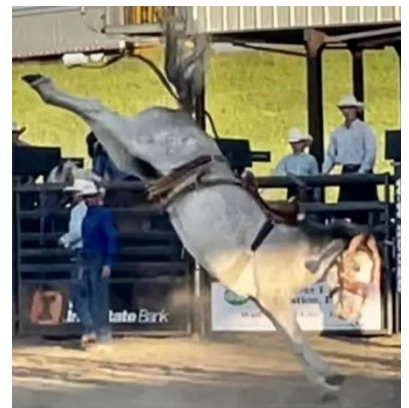

Bingo is a very nice mare. I bought her off of Joe Gunderson for the youth program. She is a little much for the school but a really good horse. She is exposed back to Comanche Moon and Swanney 4-1-2024 to 5-15-2024 and Swanney from 5-16-2024 to 7-1-2024. I am selling her as a broodmare only.

167530 Hub

Owner: Reeves Family Ranch
7 yr. old Roany Paint Gelding
Saddle Bronc Left Hand Delivery

Hub is a buckner. He is out of my good old mare Mudds. He is a solid horse who comes around to the left. Takes a Double X rein. You could get him to the Finals and he would fit in the semi eliminators. He takes a lot of rein and puts his head on the ground. He is another horse I do not have the caliber of events he needs and I am not begging for outs on.

F64 Boo Radley

Owner: Reeves Family Ranch
8 yr. old Palomino Gelding
Saddle Bronc Left Hand Delivery

He is a great horse. I have watched what is out there and am not afraid to buck him against any of it. I do not have the caliber of events he needs and I am not going to beg people for outs on him. He is a big pet, 1400 lbs. and all of 17 hands tall. Easy to handle. My teenage daughter and eight year old gather him and handle him horseback, hence his name "Boo Radley" He snorts when working around him but there is no malice in any of it. He has a big personality. He is the real deal.

Junior

Owner: Reeves Family Ranch
2 yr. old Bay Gelding

D.O.B: 20 May 2022. Junior is an exceptional colt. He is the first colt out of my good mare Elsie's Hart who got hurt when she was a baby. Her mom is a maternal sister to F43 Lakota Park who they were 85 pts on in the semi-finals at Cheyenne. Her Dad 489 Herman Club was one of the best colts I have ever seen dummy. He is Sanford Cox, Roany and Burch bred.

Sky Wars

Owner: Reeves Family Ranch

Creek Water

Owner: Reeves Family Ranch
1 yr. old Bay Gelding

Creek Water is the yearling gelding of an old mare I bought from Chancey Wilson named Little Creek, who has had some pretty decent colts. They took her to the SDRA Finals.

I have to make some cuts and have daughters out of her. She is a great mare and will be with my family till the end. I have high hopes for this colt.

Bear Creek

Owner: Reeves Family Ranch
Weanling Sorrel Stud Colt

Bear Creek is Little Creek's weanling colt, he is either delivery by Swanney or Comanche Moon. He is intact and

I will have stallion declaration on file with the BHBA. I have a daughter out of Little Creek and need to make some cuts.

Turtle

Owner: Reeves Family Ranch
__ yr. old Gelding

He is a great big horse. He is honest as they come and easy to handle. Can be penned with geldings, mares, and other studs and gets along. Good to ride. I have taken him to futurities and he has always shown up to work. I don't have enough work for him for the caliber of horse he is.
