Dispersal of Top 15 Horses

Owner: Duane Ashbacher
8 yr old Bay Stud

Bucked 1 time only @
was outstanding! **THIS IS
A OWN SON OF MAJOR** out

of Ms. King (one of my best producing mares ever). We purchased this breeding fee at a fundraiser for a local cowboy. To my understanding this is the last known stud from Major. We hauled our mare to Wayne Vold's place to get her bred. We haven't got into his colts yet and are selling out. A lot of the young horses will be for sale later this fall following the Breeders Classic; this will be a complete dispersal. The horses consigned are the best solid & young horses that we know. Broodmares, yearlings, 2s and 3s will be sold at Stavelly, AB this fall.

This big gelding has great potential and has been bucked. You have to be careful flanking him as he will kick the chutes and get sore but has all the potential to be a feature horse. We just have not spent enough time.
