 3 yr old Black Mare

We have only about 3 live guy trips on this horse, but she has grown a lot in the last year & is showing a lot of promise. She is out of a Franklin mare & Sly (House Arrest/James Bond from Doug Vold). She is quiet, easy to handle and she will be big.

Hot Mess is a ½ sister to Mackza's Hot Flash, who has been to the NFR once and CFR twice. His sire is Sly (House Arrest & Doug Vold's James Bond). We have had him at Rimbeys for lots of practice. Tried him in the bareback & saddle bronc, shows better in the SB but he's only 4 so lots of trips in his future.

We are super proud of this gelding, and he deserves good home where he can show off his talents. He has had lots of trips with live guys and we have won a few futurities with him as well. His star studded pedigree includes our stud Sly (House Arrest & James Bond) and he is out of Atomic Betty, a horse that took many a cowboy to the pay window, including the CFR & the Calgary Stampede.

 5 yr old Bay Mare

We have bucked this mare for the last 3 years at the Rimbeys practice nights, she is a good solid 20 point horse. She was exposed to Bomber Jacket, a grandson of Night Jacket this past breeding season (June 3, 2018 to August 26, 2018). This will be her 1<sup>st</sup> colt. She is big boned, easy to handle and a good steady 19-20 pt horse. Her background is full of champions, a great addition to any herd. This will get you into some Major bloodlines & a little Night Jacket too! She is a daughter of Spark Plug who goes back to Major League/Poison Ivy. She has had pay window rides by Dawson Hay & Ben Anderson.
