

This is a set of solid, mature, front end Palomino geldings. All are gentle and have been used as Flag, Queen, Committee, Parade and Grand Entry horses. They have been used the last three years at all of my prorodeos from Eagle, Colorado to Pecos, Texas. Some have even been used as pickup horses. They are all matching and have taken a long time to put together. The only reason for selling them is because we have changed our opening act. These mature gentle geldings can be used for any opening act involving dark arenas, flashing lights, pyrotechnics and loud explosions. They can be rode by anyone at anytime. I would prefer to sell them as a set.
