

105 Badger Hole

Owner: Cooper Clan
 6 yr old Bay Gelding
 SB Left Hand Delivery

Badger Hole is a later maturing horse, partly due to his size. He, like the rest of this years' set of colts, is really big.

This will be his 3rd year with riders and he really seems to be coming on. He is the type of horse you can be marked a bunch on your spur ride.

05 Black Spoon

Owner: Cooper Clan
 7 yr old Black Gelding
 SB Right Hand Delivery

They have won money in the CCA on this horse. He started to lean a bit so we gave him a year off. Since we started bucking him again he is a better buckier than he was before and a lot better to get out on.

102 Bon Daniels

Owner: Cooper Clan
 6 yr old Brown Gelding
 SB Left Hand Delivery

Bon Daniels is a big strong horse that is just starting to come into his own. He was marked 82 last fall and seems to be getting better each time out.

108 Wolfshine

Owner: Cooper Clan
 6 yr old Grey Gelding
 BB Left Hand Delivery

Wolfshine is a big stout bareback horse. They consistently mark him 20-21 points. He went to the CCA Finals last year. This year they either win first or second on him.

204 Circus Freak

Owner: Cooper Clan
 5 yr old Black Gelding
 SB Right Hand Delivery

Circus Freak is a 5 yr old SB horse. This year each trip he has gotten better. We would like to keep and develop him more, but we just have too many young horses coming up. Major bred.
