A3 AUGGIE

Owner: Dale Kling
 ___yr old Brown Stud

Dam: Tanline

Sire: Jim

This is a ½ brother to the award winning horse, River Boat Annie, same mother. It is bred like no other in the world, was used as a breeding stud for 2 yrs at Carr Pro Rodeo. This is an opportunity to buy the direct bloodlines of the 2 contenders for the bucking horse of the year awards the last few years in the PRCA, Riverboat Annie (Carr Pro Rodeo) and Grated Coconut (Calgary Stampede)

The brand that bucks! A lot of people say that but as a breeders we have raised more NFR award winning horses than anyone we know. It has been an opportunity over the last 20 yrs to incorporate some of the best bloodlines in North America to our program.

C5 Rodeo, Make Up Face, Virgil, Black Moon, Black Strap, Classic Bear, Little Rotten, Kling's Classic and many others that have helped Vern to be the success he is right now. All were raised right here on this Ranch. Along with Carr ProRodeo's Riverboat Annie, Open Range, Sadie's Gal; Scotty Loveless' Slick Willy, Wet Willy & Sadie's Gal. Andrews and Smith ProRodeo have all had success with the W/ horses as well.

We know they all don't make it but our success in raising World Champion contenders has been the best: Make Up Face, Virgil, River Boat Annie and Slick Willy were all in contention for the World title. Some should have won, we all know that. These colts go back to Riverboat Annie's mother, which produced Riverboat Annie & Open Range, NFR & award winning horses.

Winning horses are started right and are all ready for futurities next year. This stud (Auggie) looks like he throw saddle broncs in my opinion. Looks like they're going to be good to ride. There's a high & low of course but it really is too early to tell exactly but I have no doubt that in buying them all you will have the success in the end that's everybody's looking for.

We always have sold our horses in a set as to assure buyers they get the best ones and again will be offered 1st as one.

Outstanding SB used at Cheyenne Futurity marked 19-21. Used at Faith, SD marked 21.5 & at Killdeer Futurity marked 20 pts. This is a nice SB that everyone likes. Has had a total of 6 trips and has been outstanding every time. Gentle, built durable, potential to be NFR SB. Short and gets a lot of air. Nice colt.

Also on my futurity team this year and marked 20+ every time from Cheyenne, Faith & Killdeer. He's an exciting, electric action packed horse that has the jam it takes. I don't know but would love to see him in the BB with a good rider. I haven't drew very good on him as he's threw everybody off. I guess they rode him at Faith and never moved a spur. He just jumped & kicked straight down the pen and was still marked good. Very good horse, a lot of potential. He's the kind, all he needs to do is draw a good one one time and he will elevated to super star status. 6 trips.
