This mare is an original George Anderson mare carrying the /TT brand. She has been to the NFR and has produced me a lot of good colts that were all saleable. True Grit, one of her colts, has been nominated for the NFR several times. After last winter our outfit can't take care of these girls like we used to. She has 4-5 good years left for someone to acquire George's bloodlines. There were the best in the world.
