## 808 Wichita

Owner: Diamond Willow / Amber LaDue-Kling

7 yr old Black Gelding

Delivery: Bareback

Purchased from Coy Robbie. Has been used 3 years. Hauled to 3 ProRodeos this year (Cody, WY; Gunnison, CO; Cheyenne, WY). This is a feature horse that cowboys can be in the high 80s as proof is in his performance. This it seems is the horse of the future, souped up hopper, solid & locked in.

6 yr old Bay Mare

Delivery: Left Saddle Bronc (X2)

Purchased from Denny Robbie. Has been used at 3 ProRodeos this summer. Marked 20-22 pts at all of them including Cheyenne which is a tough arena. Bucked 2 yrs prior in amateur Canadian rodeos. She's locked in and a feature SB, just needs to draw someone that can ride her. Can be high 80s.

## 68

9 yr old Dun Mare

Delivery: Left Saddle Bronc (X5)

Purchased from Denny Robbie. Has been used 4 yrs in Amateur rodeos. Used as short round SB at all match SB ridings. Feature hose used 3 times this summer at Cody, Gunnison, & Cheyenne. She's quick and electric. Bucks straight and is short the way they like them. Always marked 21-22 pts. We just needed to draw good as you can be a lot on her and the cowboys will like her. She's solid but touchy in the chute/ no big deal just can't roll her if the back cinch is on.

Bareback

Outstanding BB. Can go anywhere. Selected to the CCA Finals every year. Purchased from Denny Robbie this spring & used at 3 ProRodeos this summer. Marked 20 pts at Gunnison and 19 at Cheyenne. I love this mare, wish I had 20-25 of them. Cowboys love this kind of horse. She's a hopper, around to the right & is better indoors vs a big arena such as Cheyenne. This mare is just like NFR Rd winner Good Times of Brookman's & sold to C5 Rodeo. Put Good Times indoors and they win the round, take her to Ponoka or Cheyenne & they're 74-76 pts. Ultimately it takes a good cowboy as always. Feature BB, solid & locked in.

Purchased from Coy Robbie also. We bought the best 5 solid horses from them. This horse has not performed as expected as a SB but is coming on. I had to move him to the bareback as he wasn't handling the pulling and I only go to buck it one time and it was good. I've got to offer him for sale now although I would like to keep him another year so I know for sure. Could be the best surprise this year!
