James Thompson

20 year old bay mare

Nelson breeding with colt at side, out of Minors lake stud. This old mare has produced some of the best colts I've had. The mother to Minors Whiskey which one a lot of futurity money and was sold in Vegas as a two year old for \$5000. One of her other colts is going in the bronc riding for Bailey Pro Rodeo and really bucks. She still got a few left in her if you take care of her, don't miss this one folks!!

3 yr old Bay Mare

Saddle Bronc

This is one of my favorite mares! She's out of an old Nelson mare of mine that always raises me a good one and Shane Gunderson's great stud, Gunslinger, which also is Nelson breeding. Placed in a couple futurities and I have bucked her in some rodeos. She's the right kind with tons of breeding, don't even care if I sell this one. Sells open.

Came out of Canada from David Ashbacher, bought here at one of these sales. Bucks like hell and raised a lot of good colts. One of her daughters won 2nd in Guthrie in the bareback futurity two years ago and brought \$8500. I've sold most of her colts as twos for 3-4 thousand in the dummy bucking.
