527 Bonneville Express

Owner: Jeremy Officer
4 yr old Black Bald Face Bull

527 Bonneville Express is a four year old bull that I bought from Shane Franklin last year. This bull has really grown into an outstanding bull. He is starting to come into his own with the more trips we put on him. You can check his and any of my other bull's stats on probullstats under CNstars bull co. He has only been ridden one time since I have owned him and as far as I know in his life and that was by Ross Coleman. He bucked off JB Mauney in

Nampa this year and he has only gotten better since that. The picture is of Clovis Crane in Sydney Montana at an Enterprise event. I really think a lot of this bull and I know you will also.

532 Grandpa Joe

Owner: Jeremy Officer
4 yr old Black Bull

Grandpa Joe is the best bull I put in the sale. I told Dale that I would put him in and here he is. This bull is a consistent 21-22 point bull. Michael Manes was 87.5 on him in Billings, Jay Dunford was 89.5 on him in Park Rapids and Ned Cross was 87.5 on him in Park Rapids as well. This bull is a young bull with a heck of a future ahead of him. Check out his stats at probullstats also. He is a possible PRR finals bull this year. He averages a 21 or 22 every time he is out. He was raised by Joe and Nevada Berger and has all the Berger breeding in him. His stats can be viewed on the pro bull stats website too.

434 Odie

5 yr old Black Bald Face Bull

Bought him from Jerry Nelson. He is a son of Automatic. Can be bucked day in and day out and stay consistent.

His stats as well as all of our other bulls can all be viewed on the Pro Bullstats website.
