

### 65 German

Owner: Kennard Real Bird  
6 yr old Sorrel Mare  
Saddle Bronc      Delivery: Left

She weighs in at 1250 lbs. She has over 25 outs in four years of bucking. We started bucking her as a three year old and her first trip was well above average. They scored an 83 pt. ride on her. She has been a consistent 20 pt horse and above. Shane Moran of Great Falls, Mt.

won the Fourth of July PRCA Rodeo in Killdeer, North Dakota with a marking of 80 points. She bucked two days in row at Killdeer, just lost one point from the first day. Her most recent out was at the Crow Fair Rodeo on the Third weekend in August. At Crow she bucked off a good cowboy from Miami, Oklahoma, who had qualified for the IPRA finals in Tulsa, Ok. On that trip she was right at 23 pts. She is not hard to ride. I know that a world class bronc rider can get a 23 pt ride on her every trip. In 2011, we took her to the Indian Finals Rodeo in Las Vegas, Nevada. She bucked off two cowboys easily. Takes an Average Rein. #65 German is half sister to Painted Valley, The saddle bronc of the year, from Vold Rodeos. Her sire is Oil Train, who we use for over five years. Harry Vold used him just that one year and got Painted Valley. Mike Cervi owns Oil Train now.

She weighs 1250lbs. Has been bucking for 3 years. She is a 19+ point horse. Clay Gruel won second place on her at the Fourth of July PRCA Rodeo in Killdeer, North Dakota with a marking of 78 points. Shane Moran marked an 84 pt ride on her at the World Class Bucking

Futurity in Jordan, MT for second Place. Rollie Wilson scored a 79 point ride on her to win the long round at the Crow Fair Rodeo in Crow Agency, Mt. She is a nice and easy horse to ride. Cowboys will come a long ways to ride her. Takes an X and 2 for rein.

She weighs 1350+ lbs. Big Horse that can take a pulling. She is a 19 point horse. She is just now starting to figure out her bucking style, which is very nice. Hasn't drawn a cowboy who could spur her hard. I think a good spur ride will take her to the next level.

Takes an x and 2 for rein.
