2 yr old Bay Mare w/ appy back

This mare has awesome breeding – we've raised some great colts off of Spotty Crop that are doing REALLY well in the pro circuit. Her full sister is Close Call #95 owned now by Pete Carr. She is a keeper.

**3 YR OLD FUTURITY**

**106 My Oh My**

Owner: MX Bar Ranch  
3 yr old Bay Mare

Born: May 26, 2008  
Sire: Kenny's Baldy  
Dam: My Maria

Another great horse with awesome breeding. My Maria is one of our best horses, has won us many awards over the years and the cowboys LOVED to get on her. She raises some of our top horses – she is mother to Alberta Child #48 now owned by Pete Carr. She is also the grandmother to Close Call #95 of Pete Carr and also to Dry Crop #79 now of Frontier Rodeo.

The sire, Kenny's Baldy was an NFR horse and owned by Dale Kling that has sired many good, proven offspring. We've already dummied some of the crop we got off of him and they are outstanding.
