Porter is a 10 yr old super gentle buckskin dun gelding. He has been a ranch horse his whole life and had just about everything done on him. All our kids have ridden him a lot from ranch work to play days. Has good rate when you are picking up on

him and runs in on both sides. Just about anyone can pick up on him and if a queen needs mount, a committee man needs a horse for the parade, or you are looking for a good ranch horse, look no further.
