Creek's sire is #77 Ike and her dam is a gray Kesler mare, #314. An added bonus: Creek is in foal to #JA3, an outstanding bucking horse stallion whose momma was an NFR qualifier named "Ridley One". #JA3's sire is also an NFR bronc named LV92, both offspring of the famous Boy Ballou of the equally famous Bob Barnes Rodeo Co. Creek has been tougher to make the whistle on than Jumano. Short round at all the major Indian rodeos. Not very rider friendly. Left
