Dummy bucked 2x.

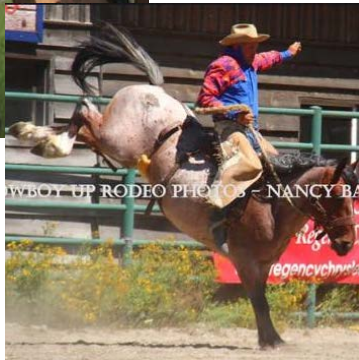

Every foal off his dam bucks. Nice & big, stands about 16' now. Very athletic. That's a 6'panel behind him, so you can see his size. I believe he has lots of potential.

Saddle Bronc

Hauled lots in 2015. Had 20 trips all over British Columbia; from crossing the ferry at Vancouver to being hauled 16 hours north to Halfway River to buck the next weekend. Was very solid 19-20pt horse. Not many trips this year due to lack of events. Selling him so someone can utilize him. He is in his prime. He will weigh 1350/1400. His full brother, X99 is a great bareback horse.

Holly and Warrior Bloodlines

Dummy bucked 2x. Lots of kick and action. And lots of generations of buck bred into this colt. He's a very nice size 2yr old. Will no doubt mature into a saddle bronc in 2/3 years from now.

Bareback Right Hand Delivery

Jack Palmantier on Dam side and Sire is a grandson of Grated Coconut off a direct daughter of Major. Dummy bucked 8x. Circles around to the right. Very showy, rider friendly bareback horse with 2 rider trips. He is ready to hit the road. I feel with his bucking style he will become a very nice SB in the future.
