Been used all summer at the futurities with colt at her side. Was the highest marked horse at Cheyenne, WY Futurity this summer. This horse has helped me win more than \$20,000 at futurities at the Rapid City Stock Show, Casey Tibbs Bronc Match, Cheyenne Frontier Days and Faith, SD in addition to being invited to the futurity in Las Vegas. She goes back to 44 Magnum, one of my best mares which has won countless year end awards and is sired by my stud Rocky Top. She is one of the best I have ever raised and I exposed her to 2012 World Champion Saddle Bronc of the year Chuckulator. She looks, acts and bucks like a world champion and will have as good a colt as anything bred in the world.

Outstanding saddle bronc. Used her at all the futurities (Rapid, Faith, Cheyenne, Miles City and Jordan, MT) She is just as good as the grey, bucks a little different; might be a little more cowboy friendly. She has been used last year and won 2nd at Bob Pecora's deal. This mare threw Cole Elshere off at Rapid City in 2013. Has been marked 22-23 pts at all the futurities. Has a very good shot at Bob Pecora's Futurity Finals this fall. She had a very good year. This mare is out of a Sonny DeRose mare out of Exposure (NFR) and my bay stud Stokers Ace (3x bucking horses of the year)
