Sire is Big John; Dam: John McNeely used 2 yrs breeding stud purchased at Breeders Classic 3 yrs ago. Been bucked 4 times. Bucks hard, needs more outs; still bucks green but bucks. This horse is a ½ brother to Virgil (raised by Dale Kling) with the same sire. 16 hands & 1450 lbs. He's big, needs to be put on smaller mares. We've just used him 2 yrs and need to change. Good breeder sound in everyway.
